

PRESIDENT'S MESSAGE

In the Women's Club we talk a great deal about our friends. We enjoy getting together with our friends and having social occasions to celebrate our friends. But lately I have been thinking of something on a slightly different level than friendship when it comes to the Women's Club.

I think we have something here in Lakeway that transcends friendship. We have the opportunity to be a part of something better than friendship and that is what makes our club unique. That is why our club has thrived through the growth of Lakeway from a lake resort to a small city, why we have gone from a population of retirees to a community of young families and single-family homes. It is why we have survived the Texas heat, the drought, ice storms and even a pandemic.

Here, in Lakeway as a community and in Women's club specifically, we have fellowship. The dictionary defines fellowship as a friendly relationship marked by ready communication and mutual understanding or a group of persons formally joined together for some common interest. Words associated with fellowship are affinity, rapport, harmony, togetherness, empathy, chumminess, companionship and solidarity.

This is what we strive for in the Women's Club. We may miss that mark on occasion but we are always looking to do a better job, gain more understanding, welcome new members and new ideas and support each other.

So, the next time you attend a meeting take a moment to look at the diverse group of ladies we have in this club. Look for that new member and invite them to sit with you. Get to know someone new in the group. Talk about ideas and interests and get to know each other. See what you can do to present the best impression of the Women's Club that you can to others. If you do that, I know that you will find more friends than you ever thought possible. If you do that, I know that the

Women's Club will continue to be the same outstanding example of fellowship in the future that it has been for the past 38 years.

*Kimberlee Majkszak President
Women's Club of Greater Lakeway*

1ST VICE PRESIDENT

On November 28th, Elaine Duffy, Chair, and Becky Parker, Co-Chair, of our *Home Inspirations* SIG, will offer inspiration for accessorizing our homes for the holidays.

Elaine Duffy is a native Texan! She was born in Houston but moved to Orlando, Florida where she met her husband, Tim, in high school. They both graduated from the University of Florida, then moved to Austin via Sydney, Australia in 2001. They have been in Lakeway for six years and married for 39 years. They have three children and four grandchildren. Spending time with family and friends brings Elaine the greatest joy! She believes that hospitality shows itself in many forms, and for her it is inviting someone to have a good conversation in beautiful surroundings.

Becky Parker grew up in Austin. She studied interior design in college and has an art degree from Trinity University in San Antonio. She lived in Dallas and Tulsa but moved back to Lakeway two years ago to be near her daughter and son. Her husband enjoys woodworking and with her love of interior design, they usually have one or two projects going on in their home! Becky always believes that "your home should tell the story of who you are and be a collection of what you love."

In working with Square, we've encountered a few situations.

- 1. If one person is going to pay for another member, you must add the name of the person you're paying for in the detail section of the registration form.**
- 2. We are getting a lot of double payments. Before you pay again, check your email first for your emailed receipt. You can also email Kim Majkszak or Darla Nelson and ask before risking a double payment.**
- 3. If you are not receiving your newsletters or receipts for online payments, check your spam folder. Some providers block messages from mailing lists.**

2ND VICE PRESIDENT

TREASURER

September 2022 (reported as of August 9, 2022)

The 2022-23 WCGL budget was presented to the Board on June 20th and approved by the Executive Board at its meeting that immediately followed. A copy of the 2022-23 budget will be available for viewing at the check-in desk at all monthly luncheons. At its meeting on July 29th the Executive Board approved the August 20th and 30th renewals of the two insurance policies that cover club liability, practices and stored items. The storage unit lease was extended by 13 months, ending August 25, 2023.

October 2022 (reported as of October 4, 2022)

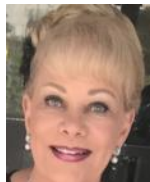

On August 11th, the WCGL initiated an online payment system for dues and events. SQUARE has proven to be an easy-to-use program for credit card payments from members. SQUARE complies with all Payment Card Industry Security Standards Council (PCI SSC) requirements via instant data encryption. As of September 30th, there have been 611 completed transactions, of which 22 were refunds. The Club is in sound financial condition that includes a reserve of \$10,000, or approximately 20% of expected income. Financials are available at each monthly luncheon for viewing.

The WCGL carries two insurance policies for each club year. The policies are written through our local State Farm Insurance agency in Lakeway. One policy covers Not-for-Profit Organization Liability for its members and directors. The other is a Business Owners Policy that covers damages: business assets, moneys and securities, forgeries

and alterations, storage unit, and medical, among other items.

DINNER CLUB – Open

The Dinner Club offers members a social evening of good company and delicious food three times each session. Dinners are in the homes of

members designated as hosts for one of the dinners in February, March, and April on the third or fourth Saturday. The main entrée is the hostess' choice each month. The evening begins at 6:30 p.m. with drinks and appetizers. One couple will bring appetizers and the other couple dessert. Each couple must provide their own alcoholic beverage. The hosts are not allowed to serve alcohol at these dinners. The dates are guidelines. If the hosts cannot work with the date or the guests are busy that Saturday, the three couples may change the date as they see fit to accommodate everyone's schedule. Our kick-off party was October 9 at the home of Debbie & Al Carver. Members met the couples with whom they will be dining this winter and received information on how Dinner Club works. At this point, we have a full group for next season with additional couples on the waitlist who serve as subs when needed. Our members have found Dinner Club to be a wonderful way to meet new couples in a relaxed setting and some have formed lasting friendships because of being a member.
