

PRESIDENT'S MESSAGE

It seems impossible to believe that our year is going by so quickly but here we are already into April. This month brings us tax season, bluebonnets, warmer days, pollen, Daylight savings and another opportunity to gather for a special evening of fun. The theme for our Spring Gala this year is a Night of Southern Charm and it promises to be different from anything our club has put on previously. I hope you are ready to join us for an evening of dinner and dancing as only the ladies of Lakeway can do it.

In addition, we still have so many fun activities scheduled with our special interest groups. Be sure to check out the rest of this newsletter and sign up. There are still a lot of great meetings planned and we want to continue to support our SIGs and welcome all of our incoming new members, just as you have all been doing all year long.

In this newsletter, you will also read about the nominating process, as our club gets ready to welcome a new board at the May meeting. I am already feeling the combined relief of having finished a stellar year as president and sadness that my year is ending. It has truly been an honor to lead Women's Club this year and I have enjoyed being a part of the leadership team. We have invested a lot of time and energy into the betterment of our club and it has paid off tremendously.

Thank you all for your continued support and faith in me as president and in your board of volunteers. We loved hearing your encouragement and excitement this year. Thank you for the many compliments you have bestowed upon us all. You have all made our jobs so much easier and we appreciate you.

*Kimberlee Majkszak President
Women's Club of Greater Lakeway*

1ST VICE PRESIDENT

Technology today, like it or not, is part of our daily lives. Both of our April speakers are masters in the world of technology!

Mike Halprin is an independent information technology (IT) services consultant and contractor who went to Texas A&M University. His specialties include helping to facilitate a positive relationship between people and their computers. He also does computer and network setup and troubleshooting. He began his career as a project designer, IT support and web developer. He became the owner/operator of MH Concepts and later of ETEX Outdoor LLC. He and his family have lived in Lakeway since 2003.

Sandy Cox is a proven leader in the Technology, Government and Non-profit sectors. She spent two decades driving semiconductor technology businesses in consumer, automotive and Apple microprocessors as well as manufacturing operations and the global supply chain for Motorola/Freescale. She is a graduate of Georgia Institute of Technology with Bachelor of Science in Electrical and Computer Engineering.

Twelve years ago, Sandy created two companies: SLC Consulting Group (consults Fortune 500 companies, small businesses and start-ups in strategic planning and operational efficiencies), and Building Independent Girls (focused on keeping young women safe on the internet and career planning). In her spare time, she loves to volunteer for just about any cause that includes children and the arts. She has served on several boards as the Chairwoman, Treasurer and Secretary in the Austin area. Most recently, she served two terms as the Mayor of Lakeway, from May 2018-May 2021.

Please sign up for the April General Meeting and luncheon to learn from these two very talented individuals!

In working with Square, we've encountered a few situations.

- 1. If one person is going to pay for another member, you must add the name of the person you're paying for in the detail section of the registration form.**
- 2. We are getting a lot of double payments. Before you pay again, check your email first for your emailed receipt. You can also email Kim Majkszak or Darla Nelson and ask before risking a double payment.**
- 3. If you are not receiving your newsletters or receipts for online payments, check your spam folder. Some providers block messages from mailing lists.**
- 4. If possible, we suggest you access your newsletter from a home computer rather than an iPad or phone for the best results.**
- 5. The newsletter comes out around the middle of each month so if you don't get your email notice, you can always go to the website and find it there.**

2ND VICE PRESIDENT

MEMBERSHIP

WCGL membership now totals 397, with eight new members added recently. A total of 68 new members have joined since May 2022 and 329 have renewed their membership for the 2022-2023 membership

period. It's not too late to recruit new members or urge those that have not renewed to do so. There are plenty of fun activities planned through May, such as the Spring Gala at Vintage Villas, and some fabulous speakers that will be presenting at our monthly meetings. Membership also includes the ability to join one or more of the many Special Interest Groups (SIGs) we offer. These groups are a great way to pursue your interests, have fun and

meet other members in a smaller group setting. Membership dues are \$40 for any new members you recruit from now through the end of the membership year on May 31, 2023.

DINNER CLUB – Closed

The Dinner Club offers members a social evening of good company and delicious food three times each session.

Dinners are in the homes of members designated as hosts for one of the dinners in February, March, and April on the third or fourth Saturday. The main entrée is the hostess's choice each month. The evening begins at 6:30 p.m. with drinks and appetizers. One couple will bring appetizers and the other couple dessert. Each couple must provide their own alcoholic beverage. The hosts are not allowed to serve alcohol at these dinners. The dates are guidelines. If the hosts cannot work with the date or the guests are busy that Saturday, the three couples may change the date as they see fit to accommodate everyone's schedule. Our kick-off party was October 9 at the home of Debbie & Al Carver. Members met the couples with whom they will be dining this winter and received information on how Dinner Club works. At this point, we have a full group for next season with additional couples on the waitlist who serve as subs when needed. Our members have found Dinner Club to be a wonderful way to meet

new couples in a relaxed setting and some have formed lasting friendships because of being a member.

OUT & ABOUT

What is the Out and About SIG? We are a group of ladies who love to explore Texas. This year there have been a couple of day trips held. Travel has been by carpool providing a great way for members to visit and get to know/catch up with one another prior to reaching our destination. A big thank you to all the volunteer drivers! Your willingness to help provide transportation is much appreciated.

A quick recap of our recent outings: the November event provided an opportunity to participate in the Junior League Christmas Affair in Austin. March found the Out and About SIG traveling to nearby Downtown Buda to lunch and explore charming local shops.

The Out & About SIG continues to research and evaluate trip venues for the Fall 2023-Spring 2024-time frame. Remember outing suggestions are always welcomed. Please share your ideas with MaryAnn Veregge via e-mail at maveregge@yahoo.com.
