

PRESIDENT'S MESSAGE

We are very excited about our upcoming October 30th Fashion Show titled "Fashion on Fire" featuring clothes from Gift Solutions.

The event will take place at the Sonesta Hotel and it will truly be a day to remember.

Fashion is imbedded in the human experience as the wearing of clothes is an exclusively human characteristic. Historically, there has always been some disagreement among scientists on when humans began wearing clothes, but newer studies suggest it started sometime around 170,000 years ago. Importantly it allowed humans to successfully migrate out of Africa.

The sewing of clothes has been dated to at least 50,000 years ago when sewing needles were found and are likely to have been made about 10,000 years before the arrival of Neanderthal and human groups in the cave. The oldest possible example is 60,000 years ago, a needlepoint (missing stem and eye) found in [Sibudu Cave](#), South Africa. Other early examples of needles dating from 41,000 to 15,000 years ago are found in multiple locations, e.g. Slovenia, Russia, China, Spain, and France.

Morphed out of this historical blast from the past comes today's "Fashion on Fire!" Please join us for a joyful experience of current day fashion, embedded with history, creativity, self-expression, and personal identity.

(Important note: We are not displaying photographs of our members with their names in our publications in an effort to protect their identity and privacy in these complicated times.)

Judith Baer, President 2024-2025

COMMUNITY LIASON

Fall has arrived and fingers crossed that the heat will dissipate soon. It

As I researched information for this article, I was amazed to realize how fortunate we all are to have such a vibrant, active and caring community surrounding us. Non-Book Club SIGS

ANTIQUÉ ADDICTS: Open

Our first meeting on September 4th was a great success! So far, we have 21 members with many who were part of WCGL’s original Antique SIG. At this meeting we enjoyed sharing with each other the antiques we collect or

love plus planning for gatherings in the future. We now have a list of antique places our members suggested to visit together. Cheryl May presented a program on “**Victorian Serving Pieces**” and brought several items from her collection to our meeting at Lake Travis Public Library. Betty Williamson prepared some delicious cookies for all of us to enjoy.

We have reserved the Library Meeting Room (1938 Lohmans Crossing Rd.) for the majority of our meetings. However, we plan to travel to various antique locations and hold other meetings at member homes. Our next meeting will be held on October 2nd at Kim Nearburg’s home at 2 pm. Kim is known for her Halloween décor, so this will be fun!

Our meetings are scheduled on the first Wednesday of every month at 2:00 pm. If you would like to join AA, please contact Cheryl May so that she can add you to our membership list. camaysfa@aol.com

DINNER CLUB – Closed

The Dinner Club offers members a social evening of good company and delicious food three times each session. Dinners are in

the homes of members designated as hosts for one of the dinners February, March, and April on the third or fourth Saturday. The main entrée is the hostess’ choice each month. The evening begins at 6:30 p.m. with drinks and appetizers. One couple will bring appetizers and the other couple dessert. Each couple must provide their own alcoholic beverage. The hosts are not allowed to serve alcohol at these dinners. The dates are guidelines. If the hosts cannot adhere to the date or the guests are busy that Saturday, the three couples may change the date as they see fit to accommodate all three couples. Our kick- off party is January 26th, at the home of Debbie & Al Carver. At the kickoff, members will meet the couples with whom they will be dining next season and receive information on how Dinner Club works. At this point, we have a full group for next season with additional couples on the waitlist who serve as subs when needed. If you wish to join the permanent list, you may notify me that you want to be placed on the waitlist for such. As there are usually couples who must cancel before the first dinner, it is possible that a slot will open. You may also still sign onto the sub list. On that list, you are invited when a guest couple cannot attend. You do not host as a sub. Dinner Club has been a popular Sig. Our members have found Dinner Club to be a wonderful way to meet new couples in a relaxed setting and some have formed lasting friendships because of being a member. Pat Younger youngerpat@aol.com

The surging stock market has minted millionaires and helped send many investors' net worths sharply higher."
