

PRESIDENT'S MESSAGE

Eleanor Roosevelt caused quite a stir in 1901 when she was quoted as saying "great minds discuss ideas, average minds discuss events and small minds discuss people."

This quote has been on my mind a lot for the last few weeks and I considered how it might apply to my life and to those with whom I associate. Without question I think that the majority of the women in my life, a great many of them in the Women's Club, fit into the category of great to above average minds. So, what does that mean in our daily life?

We are all women of a certain age with life experience behind us. Most of us have come to Lakeway after years of raising families, having careers, exploring all different avenues of life and we bring the experience, compassion and wisdom that we have gained. This gives us a unique perspective on the world after having lived so much life. We know what it means to sacrifice our time, energy and efforts for the benefit of others. We understand that not everyone we meet is going to be a friend but everyone should be treated with dignity and respect. We know how it feels to be the new person in a room, feeling friendless and facing the unknown and we strive to not purposely allow anyone to feel that uncomfortableness longer than necessary.

We know how to enjoy ourselves and have fun. We know how to let go of false pretense and pride and let loose with abandon. We know how to support each other in times of sorrow and we know when it's time to get back on the table and dance.

I think these are the qualities of a truly successful life and a happy person. I am honored to know so many of you who fit that description.

For that very small minority who may find themselves in that third category that Ms. Roosevelt gave us, well, we all get to decide who we are going to be in this life. We all have the ability to elevate our thinking and our behavior. We all have the ability to do better.

And for the rest of us let's continue to appreciate the lessons we have learned and take advantage of the joy, happiness and friendships we find at this point of our lives. We do enjoy a privileged life. Let's not waste a minute of it.

Swan Songs, founded in 2005, is an Austin based non-profit organization that fulfills musical wishes at the end of life by organizing private concerts for individuals with a terminal illness. At their request, a favorite style of music or musician is brought directly to the home or facility at no cost to the patient. The concert allows the patient, family and friends to focus beyond the illness and come together through the medium of music.

Christine Albert is the Founder & CEO at Swan Songs Musical Last Wishes. She came to Austin from New Mexico and is an artist, entrepreneur and a leader passionate about channeling her love of music and the work she does into diverse projects that can inspire and help others. Christine has been the Chair Emeritus of the Recording Academy since 2017. She is also co-owner of MoonHouse Records & Studio which is an artist owned record company and commercial recording studio in south Austin, specializing in Americana, folk and country music. Christine is a recording and touring artist, performing in over a dozen countries and the US as a solo artist and as one--half of the Americana duo - Albert & Gage.

In addition to her work with Swan Songs, Christine has appeared on Austin City Limits, been awarded "Female Vocalist of the Year" by the Kerrville Folk Festival Music Awards and "Superstar of Austin Music" for her community service work and was inducted into the 2018 Texas Music Hall of Fame by the Austin Songwriters Group. Please come to the March General Meeting to listen about Christine Albert's philanthropic mission and her talented voice.

In working with Square, we've encountered a few situations.

- 1. If one person is going to pay for another member, you must add the name of the person you're paying for in the detail section of the registration form.**
- 2. We are getting a lot of double payments. Before you pay again, check your email first for your emailed receipt. You can also email Kim Majkszak or Darla Nelson and ask before risking a double payment.**
- 3. If you are not receiving your newsletters or receipts for online payments, check your spam folder. Some providers block messages from mailing lists.**
- 4. If possible, we suggest you access your newsletter from a home computer rather than an iPad or phone for the best results.**
- 5. The newsletter comes out around the middle of each month so if you don't get your email notice, you can always go to the website and find it there.**

March 2023 Newsletter (reported as of January 31, 2023)

At the January General Meeting and Luncheon the Board announced that the Club would resume its previous practice of issuing no refunds. Much effort went in to streamlining the online payment process for members to pay for dues and events. We found after the 6-month trial period with SQUARE that issuing multiple refunds thwarts the efficiency and economy intended. We appreciate your cooperation with this guideline.

As a reminder, printed financial reports and the insurance policies are available for your review at every Monthly Luncheon at the front desk.

Darla Nelson, Treasurer

The Recording Secretary takes the official minutes at all Women's Club Board Meetings and General meetings. The minutes of the previous General Meeting will be available in the foyer at all General Meetings

MEMBERSHIP

WCGL membership now totals 389, with four new members added recently. A total of 60 new members have joined since May 2022 and 329 have renewed their membership for the 2022-2023 membership

period. It's not too late to recruit new members or urge those that have not renewed to do so. There are plenty of fun activities planned through May, such as the Spring Gala at Vintage Villas, and some fabulous speakers that will be presenting at our monthly meetings. Membership also includes the ability to join one or more of the many Special Interest Groups (SIGs) we offer. These groups are a great way to pursue your interests, have fun and meet other members in a smaller group setting. Membership dues are \$40 for any new members you recruit or any previous member you persuade to renew their membership from now through the end of the membership year on May 31, 2023. Let's see if we can top last year's membership total of 407!

DINNER CLUB – Open

The Dinner Club offers members a social evening of good company and delicious food three times each session.

Dinners are in the homes of members designated as hosts for one of the dinners in February, March, and April on the third or

fourth Saturday. The main entrée is the hostess's choice each month. The evening begins at 6:30 p.m. with drinks and appetizers. One couple will bring appetizers and the other couple dessert. Each couple must provide their own alcoholic beverage. The hosts are not allowed to serve alcohol at these dinners. The dates are guidelines. If the hosts cannot work with the date or the guests are busy that Saturday, the three couples may change the date as they see fit to accommodate everyone's schedule. Our kick-off party was October 9 at the home of Debbie & Al Carver. Members met the couples with whom they will be dining this winter and received information on how Dinner Club works. At this point, we have a full group for next season with additional couples on the waitlist who serve as subs when needed. Our members have found Dinner Club to be a wonderful way to meet new couples in a relaxed setting and some have formed lasting friendships because of being a member.

If interested, please contact Pat Younger at youngerpat@aol.com.

LAKEWAY INVESTMENT PARTNERS – Open

Years ago, it was unusual for women to be interested or accepted into business related fields. Now many women have become educated and very knowledgeable in business strategies through careers or self-initiative. They handle their personal finances rather than depending on their husbands or hired consultants. We invite anyone in the Women's Club who has an interest in investing in the stock market to join us. With the economy in flux, perhaps now is a great time to learn, discuss and focus on financial investing in both our portfolio and in your personal stocks. We buy and sell stocks, and at each meeting we have lively discussions on the performance of the stocks we hold or are interested in buying. Members of Lakeway Investment Partners each make an initial

investment of \$1,000 and invest an additional \$100 each quarter. We hold monthly meetings on the 1st Tuesday of each month beginning at 1:30 p.m. In the past year, we have held meetings both on Zoom and at members' homes. Whether you are brand new to investing or a seasoned investor, we invite you to join us at a meeting to determine if you would enjoy being part of our SIG. For more information, contact either: Chair, Deanna Allen (713)360-8161 deannaallen107@gmail.com or CoChair, Cheryl May (713) 705-2345 CAMaySFA@aol.com.
